Think 'Neighbour'

Please look at your hedge, your beautiful plants and your weeds. Do they stay within your garden or do they trail onto the pavement? We have many residents – parents with buggies, people with disabilities, those of us 'of a certain age' – who need the pavement to be clear. Please help by trimming back your overgrowth. If you need help call on Glyn at 52 Birdwood.

Community Action Day and AGM

I have sent thanks from all of you to all the staff and volunteers involved especially the following who co-ordinated it all:

Will from Cambridge City council, Dee from S Cambs District Council, Birgitta from Greater Cambridge Shared Waste, Rina from Cambridge City Council, Becky from C3 church and Steve in his Red Cross van who took the surplus away. If I've missed anyone out – apologies!

In the event of winding up, any assets remaining after all debts have been paid will be shared equally between all registered charities that BARA has supported in the previous five years.'

BARA Coach trip to Norwich

21 September 2019

Norwich is a wonderful fusion of the modern and historic, one complementing the other. Like any great city its centre is easy to walk around and has a river at its heart. As well as being the most complete medieval city in the UK, it has superb independent as well as High Street shopping, lively restaurants and a heritage that is a delight to explore. There is lots for families to do too.

Something for everybody

- Large covered market
- Two shopping centres
- Four department stores
- Boutiques & independent stores
- Charity and antique shops
- Lots of restaurants and cafés
- River walk
- History everywhere

Heritage Open Days

Every September thousands of free events are organised throughout the country. Norwich has been a big supporter from the start, opening its museums, many churches and historical buildings, and operating tours.

The Castle Museum which usually costs £9.50 is free on 21 September. The Museum of Norwich at the Bridewell is also free (usual cost £5.95)
